## **ORDER**

**N.ANAND VENKATESH, J.**

This petition has been filed seeking a direction to the second respondent to produce the body of the petitioner's father Athikesavan, aged about 74 years, before this Court and set him at liberty.

2. For the sake of convenience, the characters in this case will be referred to by their names.

3. One Athikesavan, aged around 72 years, a bangle seller, was living with his wife Ramathilagam in Door No.38/17, Muthiyaal Reddy Street, Alandur, Chennai – 600 016. He has three sons and one daughter viz.,

Thulasidass, Nandagopal, Mannivannan and Mahalakshmi, who are living separately.

4. On 09.06.2020, Adikesavan was feeling a little unwell and therefore, he went to the nearby Primary Health Centre and undertook Covid-19 test. On 10.06.2020, he was informed that he was tested positive. In accordance with the protocol established by the Government, the Corporation authorities were alerted and one Ms.Divya Rani, Sanitary Inspector, went to the residence of Adikesavan on 11.06.2020 and made arrangements for taking him to Ekkattuthangal Urban Primary Health Centre (Division 170), for further screening. She made arrangements to take Adikesavan by an ambulance belonging to the Corporation of Chennai and the ambulance driver was one Raman.

5. Adikesavan was taken to the said Ekkattuthangal Urban Primary Health Centre along with another patient, by name, Akash Jain. At the screening centre, Adikesavan was subjected to various medical examinations and the doctors there felt that home quarantine would not be advisable for

HCP No.1149 of 2020

him and therefore, referred him to Government Kilpauk Medical College and Hospital for admission and treatment.

6. Accordingly, a 108 ambulance was arranged and Adikesavan was sent to Government Kilpauk Medical College and Hospital on 11.06.2020. Since Adikesavan did not have a mobile phone, his family members lost track of him. Since they did not know the whereabouts of Adikesavan, they went looking out for him at the screening centre and also at Government Kilpauk Medical College and Hospital, but in vain.

7. Mannivannan, younger son of Adikesavan, went to S-1, St.Thomas Mount Police Station on 17.06.2020 and gave a complaint saying that the whereabouts of his father were not known to the family after he was taken from his house for Covid-19 treatment. Based on the complaint, S-1, St.Thomas Mount police did not register a regular First Information Report of 'man-missing'.

HCP No.1149 of 2020

8. The disheartened family sent an online complaint on 21.06.2020 through the portal of the Tamil Nadu Police website, which was redirected to G3, Kilpauk Police Station, where a First Information Report in Crime No.458 of 2020 was registered for 'man-missing' on 23.06.2020.

9. Thereafter, the St.Thomas Mount police, belatedly, registered a CSR on 25.06.2020 and assigned CSR No.88/2020 for the petitioner's complaint dated 17.06.2020.

10. Since the police were not able to trace Adikesavan, Thulasidass, elder son of Adikesavan, has filed the present Habeas Corpus Petition on 02.07.2020.

11. On 07.07.2020, it was brought to the notice of this Court that Adikesavan was taken from Government Kilpauk Medical College and Hospital to Rajiv Gandhi Government General Hospital and a video clipping was submitted showing him walking out of the gate of Rajiv Gandhi Government General Hospital. Therefore, this Court *suo motu* impleaded the

HCP No.1149 of 2020

Inspector of Police, C1 Flower Bazaar Police Station, Chennai, as the third respondent.

12. On 15.07.2020, this Court impleaded the Commissioner, Corporation of Chennai, as the fourth respondent and called for a status report from them.

13. Mr.G.Prakash, the then Commissioner of Greater Chennai Corporation filed a status report dated 24.07.2020, wherein it is stated as follows:

- 4) It is submitted that Mr.Adhikesavan had attended the fever camp conducted at Alandur UPHC by the Respondent Corporation in Chennai city for treatment of his fever on 9/6/2020. A throat swab sample for COVID19 was taken on as he was symptomatic. During that time Mr.Adhikesavan has given a mobile number 9941391821 as his contact number. The test result Mr.Adhikesavan was found to be positive. As per standard protocol, the Division Sanitary Inspector Miss Dhivya had called the mobile number given by Mr.Adhikesavan at the time of testing, to inform the test result and the activities to be carried out. Chennai Corporation and the Deputy Commissioner of Police, it is limpid that Adikesavan underwent Covid-19 test on 09.06.2020 in the local Primary Health Centre and was tested positive on 10.06.2020; Divya Rani, Sanitary Inspector, sent him by an ambulance of the Chennai Corporation with one Raman as driver to the National Skill Training Institute Covid Screening Centre, Guindy, where the Ekkattuthangal Urban Primary Health Centre was functioning; Adikesavan underwent the screening test there and on the advice of the doctors there, he was sent by 108 ambulance, driven by one Rajan to Government Kilpauk and Medical College Hospital on 11.06.2020; from there, the same ambulance carried him to Rajiv Gandhi Government General Hospital, Chennai, for being admitted as an inpatient; thereafter, the whereabouts of Adikesavan are not known till date except the video clippings of Rajiv Gandhi Government General Hospital showing Adikesavan walking out of the hospital gate; when the family members of Adikesavan were shown the video clippings, they confirmed the person as Adikesavan.

17. The case came up for hearing on 17.08.2021 and based on the submissions made by the learned State Public Prosecutor, the following order

HCP No.1149 of 2020

was passed by this Court:

"Today, Mrs.K.Shobana, Inspector of Police, C-1, Flower Bazaar Police Station, Mr.P.Saminathan, Superintendent of Police, Special Security Branch and Ms.Divya, Sanitary Inspector are present before this Court.

2. On instructions, Mr.Hasan Mohammed Jinnah, learned Public Prosecutor submitted that an unidentified body resembling by and large to Adikesavan was found on 03.08.2020 in Egmore area, in connection with which, a case in Egmore P.S.Crime No.636 of 2020 has been registered on 03.08.2020 under Section 174 Cr.P.C.

3. Mr.Hasan Mohammed Jinnah further submitted that after taking the finger prints and other measurements, the body has been buried by the Egmore police. He also submitted that if the petitioner appears before the Inspector of Police, C-1, Flower Bazaar Police Station, the police would take steps to match satisfactorily the identity of the dead body with that of the missing person Adikesavan through scientific means.

4. We find sufficient force in the above submission of Mr.Hasan Mohammed Jinnah. In view of the above, we direct the petitioner to cooperate with the police for the aforesaid purpose. If necessary, the police is also permitted to exhume the body for the purpose of either superimposition or DNA profiling. The revenue authorities shall also cooperate with the police in this regard.

Post this matter on 14.09.2021."

18. Pursuant to the above order, the matter was once again taken up for hearing on 22.03.2022 and an additional status report was filed by the Inspector of Police, C1 Flower Bazaar Police Station, Chennai. Taking note

HCP No.1149 of 2020

of the additional status report, the following order was passed by this Court:

"Today, Mr.R.Dhalavoisamy, Inspector of Police, C1 Flower Bazaar Police Station, Chennai, and Ms.S.Dhivya, Sanitary Inspector, Alandur [Mobile No.94450 25962] are present.

2. Mr.R.Dhalavoisamy, Inspector of Police, has filed an additional status report dated 21.03.2022, wherein, it is stated that the DNA report dated 29.12.2021 showed negative results, in that, the DNA extracted from the exhumed body did not tally with the DNA of Thulasidass Adikesavan s/o.Adikesavan.

3. Mr.R.Muniyapparaj, learned Additional Public Prosecutor, submitted that the police are now trying to find out, if Adikesavan had died of any rail accident.

At the request of the learned Additional Public Prosecutor, adjd. to 19.04.2022."

19. The case came up for hearing thereafter on various occasions and the fact remains that till date, the missing person Adikesavan has not been traced either dead or alive and the stalemate continues.

20. We do appreciate the fact that the State of Tamil Nadu and the Greater Chennai Corporation were doing their best to fight the Covid-19 war. Therefore, we cannot fix the blame on any single officer for the lapse. However, it would have been in the fitness of things, if the Inspector of

HCP No.1149 of 2020

Police, S1, St.Thomas Mount Police Station, had registered a regular First Information Report of 'man-missing' when the complaint was given to him on 17.06.2020 itself. Instead, the family was made to run from pillar to post and ultimately, after great persuasion, the First Information Report in Crime No.458 of 2020 was registered by the Inspector of Police, G3 Kilpauk Police Station, only on 23.06.2020.

21. It is the grievance of the family of Adikesavan that had the police acted with alacrity, the police would have been in a position to trace Adikesavan. We do see sufficient force in the grievance ventilated by the family of Adikesavan.

22. The Inspector of Police, C1 Flower Bazaar Police Station, Chennai, is directed to continue with the investigation and take effective steps to find the whereabouts of the missing person Adikesavan. The Investigation Officer shall also take note of the guidelines issued by this Court in ***K.Sukumari v. The Superintendent of Police, Virudhunagar District, Virudhunagar and others [2018 (2) LW (Crl) 636]***, since the pending First Information Report

HCP No.1149 of 2020

pertains to a missing person.

23. Taking into consideration the overall fact situation, we do not want to be too harsh on the State Government and instead, on humanitarian ground, we direct the State to pay a sum of Rs.1,00,000/- [Rupees One Lakh only] as compensation to the family of Adikesavan within a period of four weeks from the date of receipt of the copy of this order.

With the above direction, this Habeas Corpus Petition is disposed of.
